How to Add Recyclopedia as a Mobile Application

iOS (iPhone)

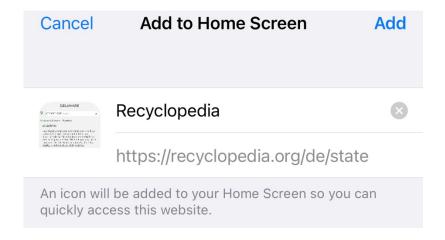

- 1. Launch your mobile web browser (Safari) and go to www.recyclopedia.org/de/state
- 2. Tap the "Share" icon, as shown.

3. Tap "Add to Home Screen"

4. Optional: Update the title

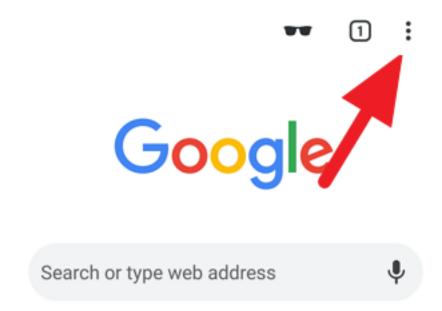

5. Enjoy! You can now quickly access the Delaware Recyclopedia on the home screen of your device.

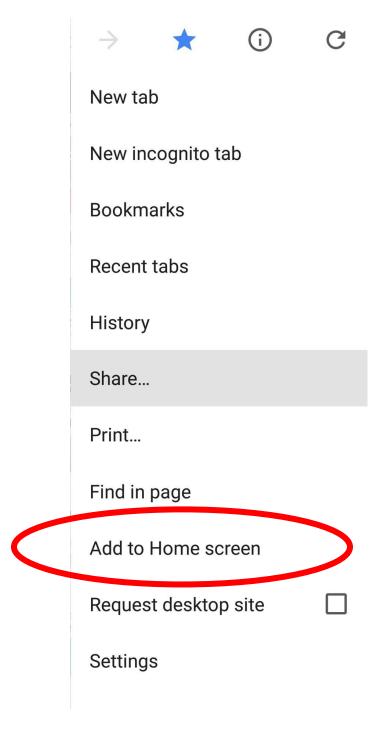

Android

- 1. Launch your mobile web browser (Chrome) and go to www.recyclopedia.org/de/state
- 2. Tap the "Menu" icon (3 dots in the upper right corner)

3. Tap "Add to Homescreen"

- 4. Option: Update the title
- 5. Enjoy! You can now quickly access the Delaware Recyclopedia on the home screen of your device.
